

THREE EASY WAYS TO GET WOLFRAM RESEARCH STUDENT PRODUCTS

Wolfram Research products, the top choice among educators, are both affordable and easily accessible to every student. Whether in high school, college, or graduate school, Wolfram Research student products will give you the edge in your educational and career pursuits.

HERE IS HOW YOU CAN GET YOUR COPY

1. From your institution...

Mathematica[®] is used at virtually every university and institution of higher education around the world. In fact, thousands of universities in over 60 countries have signed campus agreements that give students access to *Mathematica* for free or at a nominal price.

To find out if you have access to *Mathematica* or other Wolfram Research student products at your campus, visit: www.wolfram.com/mathematicacampus

2. From your campus bookstore or online retailer...

There is no need to get your books and software from different retailers. Wolfram Research student products are available from major bookstores—including most campus bookstores—and online retailers worldwide.

3. From the Wolfram Worldwide Web Store...

Choose from a wide variety of Wolfram Research student products, including Semester and Annual Editions of *Mathematica for Students* and *Mathematica CalcCenter*[™] for Students. Most Wolfram Research student products are available for immediate download.

Go to store.wolfram.com and enter **PD1267** to receive a **15% discount** on *Mathematica for Students* or *Mathematica CalcCenter for Students* downloads.

IMMEDIATE DOWNLOADS

are available for most Wolfram Research student products—so you can be up and running in less than 30 minutes!

WOLFRAM RESEARCH STUDENT PRODUCTS

DOWNLOAD VERSION
